

MOODY, THOMAS ALSO KNOWN AS JACKSON, THOMAS

He is not listed in the official roster. He filed for pension April 25 1883 from Illinois claiming to have been Co. I's cook. It was not approved. His wife Charlotte filed for a widow's pension July 1891 from Illinois. Not approved. Some companies of some regiments did have hired cooks, but they were not considered soldiers. I have found no references to hired cooks in the 101st.
